

3rd quarterly meeting of NorthWest Roller Canary Club

9/21/2019

Meeting was called to order by President Almin Omic at 11:25AM.

Present were: Almin President and Treasurer; Jim Hays, Vice President (taking notes); Larry Kappmeyer, general member; and online, Carol Tucker, CA. Location was home of Jim Hays, Lynnwood, WA, next to Edmonds Community College.

Old business:

Reviewed dates of National Show and NW Song Show...there is still an overlap, our show is 11/16 – 11/17, National changed theirs afterward to 11/14 – 11/16. At least a couple participants had to make a choice of “them or us,” which is unnecessary. Coordination recommended by both parties. The NW Show will be in Redmond, details on the NW Roller Canary website, Cosimo Leoci, flying in from Germany, will be judging our show.

We have received confirmation of up to 20 teams presenting from local members, from California and Canada; we welcome more participants, of course!

New business:

Almin suggested we receive birds beginning 11/14, to give them time to settle down from their journey. All agreed. Jim will be Show Manager and will be picking them up. Please text or email Jim prior to the incoming flight: 206.790-8013, or jhays317@gmail.com

We now have 17 members. Hooray!

500 green-colored bands for 2020 have been ordered. They will arrive before the Song Show and can be purchased and handed out then.....or ordered later by mail.

Award ribbons have been purchased

Larry K commented that he believes he knows where Jean Johnson, lives. Jim and Larry will go see if we can search her out, since she has lost all connections to the NW Roller Club. She was a member and Club officer and has show cages that once belonged to the Club. We are in critical need of show cages for incoming birds. Any and all avenues will be researched.

Treasurer’s report: from Almin Omic. we currently have \$2345.90, and are in good shape, financially.

Meeting adjourned at 12:30pm. Next meeting will be 12/17/2019, following the Song Show Awards ceremony. Best guess is from 12-1pm, Sunday, earlier if possible.

New and returning members, welcome! Call or email Almin or Jim for location or the NW Roller Canary website. Minutes of meetings are also posted there under Membership.

All present had a good chat following the meeting. Munchies were available as well.
